

Where can I sit for the certibiocide?

Written by DPR Biocides - Anses - Last Updated Monday, 04 July 2016 16:00

In a training organisation approved and listed for individual certificates for the "professional use of plant protection products" and/or "offering plant protection products for sale" activities and registered with the Ministry of the Environment. A list of the training centres is available on Simmbad.fr.

Once the candidate has obtained the "certiphyto", they register on Simmbad.fr and choose the training centre in which they will follow the certibiocide training.
