

Announcements

Written by DPR Biocides - Anses - Last Updated Thursday, 19 January 2017 17:11

This section provides a non-exhaustive list of the notices published in the Official Journal of the French Republic. In particular, these make companies aware of certain provisions of the national regulations, such as:

- prohibitions on placing certain biocidal products on the market
- reporting of annual quantities
- reporting to the biocidal products inventory
- reporting of composition and labelling to the INRS

WARNING: French regulation is not translated. Please use the [contact form](#) in order to have more explanation.
