Regulations: Regulation (EU) No 414/2013

#### **Comments**

Identical products are products with the same properties. The reference product must have a national MA (or be undergoing assessment) in order to apply for the same biocidal product.

#### **Timeframe**

- 4 months
- The detailed procedure

is available.

### Validity of the MA

Expiry date identical to that of the reference MA.

### Fees payable to ANSES

For each application for an identical product: 800 euros

### **Composition of the dossier**
